1st GBO Meeting

1st European Course for MDs in training
Going Beyond in Oncology

NOVEMBER, 28th
2018
MILANO

ROSA GRAND HOTEL MILANO

Piazza Fontana, 3

1st GBO Meeting

Going Beyond in Oncology

These two days residential course is open to young medical oncologists or students under their training in medical oncology (30 seats available!) and provides insight into the new upcoming aspects of medical oncology, enabling the MDs to get a full picture of this challenging field moving rapidly to the precision medicine in oncology. Through a condensed, high-standard educational programme, to motivate the attendees to commit to working in this fast-evolving field for the benefit of cancer patients.

09.00 - 13.00

SESSION A R&D IN ONCOLOGY

MODERATOR: **G. Arpino**

Methods in Cancer Translational Research: understanding data from bench to clinical trials
